

## Thank you for coming! (Thank you notes)

Our educators LOVE to receive thank you notes from students. So do the many people who work behind the scenes to support Museum School. Please consider writing and sending letters, cards, artwork, or anything else to express your gratitude. It is also a great way for your class to reflect on your week.

Your Museum School Coordinator can deliver any thank you notes you wish to send. In order to get them to the Museum you have three options: Send them via interschool mail to your operations team contact (CBE or CCSD) and they will get them to me. You are welcome to mail them to the museum or directly to the sponsor (addresses below), or we can arrange for pick up of drop off.

Please include these people in your list:

- Educators or experts whose work stands out to you
- Parent volunteers
- Your school administration or anyone else in your school community that made an important contribution to your year of inquiry
- Our sponsor: Chevron Canada Ltd.
- Artists or communities whose work inspired you (these may be thank you notes, or just greetings)
