*Volunteers have been vital to the work we do at Glenbow. Thanks to hundreds of dedicated individuals, we've had a strong volunteer program for over 50 years.*

*There is a legacy of Glenbow volunteers helping in all areas of the museum. They have been found on the front lines, serving visitors in various programs or the Glenbow Shop, and behind-the-scenes, helping maintain our collections. Our volunteers are all ages, come from all backgrounds, and are passionate about sharing their time, talents and energy. Some volunteers have been with us for over 20 years.*

*The collective lifetime hours donated to Glenbow by the 90 volunteers listed here adds up to over 75,236 hours.*

## Corporate Volunteers

*Thank you to our corporate volunteers who donated their time to Glenbow to support many of our events, including our Launch Parties and Community Day.*
